To Registered Referees, Life Members, Honorary Members and Assessors

The AGM will be held on **Monday 9th May 2022 in the CIYMS club rooms and will start at 8.00 pm sharp.** Colleagues are encouraged to attend this important meeting that will elect a new committee for 2022/2023.

In addition, as with previous years the NEURA Junior Referee for season 2021/2022 will be announced and the trophy presented.

In line with our current constitution, the Chairman's and Secretary's report for season 2021/22 will be posted on NEURA's website - www.neura.co.uk and sent by electronic mail before the AGM, along with a copy of the full audited accounts.

Registration System

The online registration service is the only way to register for the new season. Please note the fees are back to normal. You can still pay by cheque or through online banking.

An annual plea! Can I please ask all members to register before the deadline date of 31st May? Please deal with this matter now, because despite previous year's requests still we have the situation of a small number of referees making last minute dashes to register to be able to officiate in the pre-season friendlies. You know who you are, so please get your administration in order! Note the £10 fine for late registrations. I remind you, the fee you pay is as per the grading on the letter the IFA send you out.

See link below to online registration system. Instructions on how to pay are available after the registration system.

The link is only active post 9th May.

Meetings

The association meets each on the second Monday of each month September – May. We meet at CIYMS. The benefits to members are Instructional education, training, socialising, a mentor talent scheme and the chance to get yourself noticed. I would encourage all members to consider attending. If you don't attend, how are you developing and keeping up to speed with our game?

Training

A reminder to all officials. We are here to provide for you all. We continue to provide training each Wednesday on the track at Ballysillian. The camaraderie is fantastic, and I thank Michael McLaughlin for his time in taking the sessions. The training is open to all officials in the association. Numbers at training on our meetings nights have been affected by the pandemic but we are out of that now so it would be great to see the numbers return as we kick off next season.

NORTH EAST ULSTER REFEREES ASSOCIATION

To: Life Members/Honorary Members/Assessors/Registered Referees/Club Referees
