## New Registration System

Please use the online registration service. This is the only way to register for the new season. Please if you have still to register you will be liable for the penalty. You can still pay by cheque or through online banking.

We fought hard for a fee free registration this year but only the NIRA supported this. However the registration fee is reduced for all below Premier League and Senior Referee.

**[See link below to online registration system. Instructions on how to pay are available after the registration system.](#)**
