

IRISH FOOTBALL ASSOCIATION

OUR REF WEC/KD

18 August 2009

Dear Sir/Madam

Unaffiliated Football

Following the withdrawal of their affiliation by some Junior Leagues the Referees Committee have asked me to clarify for all Referees the position with regards to officiating in unaffiliated matches. Referees are reminded that they must not officiate in unaffiliated football and that in such matches should any Referee be subject to a legal claim there is no insurance cover in place.

Any queries should be addressed to the Association's Referees Committee or the local Divisional Association.

Yours sincerely
